

## Campus Recreation

TULANE UNIVERSITY

A message to our community members:

Tulane University recently released a comprehensive plan identifying measures necessary to support the health and safety of the Tulane community when we return to campus this fall for on-ground teaching, learning, living and working. This plan will require significant modifications to our normal operations. These changes are necessary in order to protect the health of the members of our academic community, as well as the health of our neighbors. To safely fulfill this mission, Campus Recreation must, regrettably, limit Reily Student Recreation Center membership and access to Tulane University affiliates only.

We know that Campus Recreation has been an integral part of your personal health and wellness over the years. It has been an honor to have you as a member of our facility and to serve you in a capacity that is quite unique among Student Recreation Centers—most of whom restrict their membership to university affiliates only.

While we value your membership and patronage, the mission of Tulane Campus Recreation is to cultivate active lifestyles by providing recreational and wellness experiences for Tulane students, faculty, staff and affiliates. When we reopen this fall, Campus Recreation will focus on its primary objective of delivering an exceptional student experience during the fall and spring semesters.

Campus Recreation defines Tulane affiliates as:

- Tulane University Students
- Tulane University Employees
- Tulane University Alumni
- Tulane University Emeritus
- Additional members of the aforementioned affiliate groups with proof of shared residence and financial co-dependency

Because you are not classified as an affiliate, Campus Recreation must cancel your membership and any additional services you have at this time. Non-affiliate Early Bird pass holders will be issued refunds for unused visits. If you have belongings stored in a locker, please email [reilyctr@tulane.edu](mailto:reilyctr@tulane.edu) to schedule an appointment to retrieve your items by August 7, 2020.

Once again, we would like to thank you for your business and patronage over the years. We regret that the realities of the ongoing COVID-19 pandemic necessitate this change in our operations. But limiting the number of those entering and using our facilities will increase the safety of us all. We wish you the best as you seek to transition to a new facility and continue to enjoy the benefits of routine physical fitness.

Sincerely,

Tulane Campus Recreation
